

SURBITON HILL METHODIST CHURCH

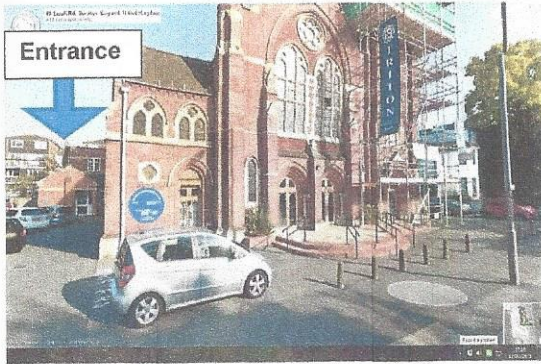

39 Ewell Road, Surbiton KT6 6AF

From 7th April, we will be using the **PRIMARY ROOM**.

The entrance to the Church Hall is through the door to the left of the building, as shown below. It is always locked and we will have an access key card to let people in. If no-one is on the door, please press the buzzer and someone will come.

Parking is in the spaces down both sides of the church (about 20) but as there are three rooms in the Hall, we may be sharing the spaces. If they are all full, which we are told does not often happen, then there is free parking in the street outside.

There is disabled parking at the front of the church.

Buses 281 and 406 stop close to the Church Hall, and K2 stops nearby, as shown in blue.

The walking route from the station is marked in red, about 500 yards.
